- ## Intersecting Route
- MAX Green
- MAX Purple
- MAX Yellow
- MAX Orange
- CTrain Red/Blue Lines
- Transit Terminal
- Future Bus Stop

Highlights of Harvest Hills Bv area transit service changes:

- Optimizes the transit network by reducing duplication, reallocating resources from express routes, and providing more direct connections to key destinations in the community - like schools and transit hubs.
- Better utilization of resources to provide two-way, all day service levels.
- Increased peak service levels for **MAX Green**
 - More buses added to improve capacity
